this week cloudy nearly every day
31. Pulling fodder & finishing big field
Sept. 1st Pulling fodder & weeding bars
- 2. The same to make 21 bags
& carried one sack to be drawn
into 8 yard edged barrels
3 about Hail & weeding & morning
4 sawing. Fodder to m. bars
5th still the same & not done fully
yet, but weeding about 8 stacks.

1846. to the Weather has been quite wet
the last week but now fair & warm.
We have 2 stacks fodder ready to stack
& one day pull & move them out
cut any tops yet

8 bushels pallings fodder & hay
8 slacks of fodder Slack & 2 in
house & 2 more to slack

3 Calling tops this day of Wyoming
Surveying, It has

Doctor Miller has been 2 times
to see Phil & furnished some medicine.
Came this morning when I did not look
for him — probably also to help.

10 cutting tops all day - & bring them up - on Bay field

11. to become his very best for Port Miller
again for Phil. he is quite sick
12th Stayed all night & put a Blister
on him.

13. Last Miller has been 4 or 5 hours to see
this she is quite fowey

14 Calling loops & finished, Susquehanna

15. Seeding Tobacco - 16. Seeding Tobacco
I have not cut any tobacco yet -

She very long - wrote to Henry com-
ly Bro Hubbard's death - 50 ft.

16 She died just before day 17th & based
on evening & morning changeable. +

17. sunning Yobanis, 18, breeding Cuck.
19. been to Cat Yards Night

On Br and Ma & wife stop on the way
to town.

get over finished on Branch & began on
to day. Had gone to Mill near Corn-
ville.

Callahan died this morning.
At cutting Yabano of the Morning wrote to

to Hanny White I sent the Bundle
of letter to Mr Grays to carry to Comptd
to send on to Hanny White, as Mr
Hubbard failed to go on to Beulah
Association at Milton, this morning.
2. Bundle still here, Mr Gray did
not go to Compt ^{sent the letter on 26th by} mail to me.
22nd Cutting tobacco at Second
ground & new ground to day -
Opposite cut grassy lot
26. Finished cutting over once & stacking
tops, & got up 2 loads corn in all.
27. Sailed back yesterday Evening to Am
this Morning 28th hour chkd Barn. 10 o'clock
27 went to Mr McLennan's several sacks

30 Shalling corn stalks & began to Break up ground for wheat

1866 Oct 31. Rainy nearly all day
Nov. 1st or drizzling rain nearly all day
— 2. ground too wet to allow the sho
emaking. Henry gone to Saw & Gas Mill
cleaning out stable dispensing.
2 - 3. Henry carried another large stock to
Saw Mill Rd Shoemaking Sola Span
also & saw factory H.C. wrote to Mr.
Dove to saw the log sent yesterday into plank
Heading & the one carried this day into flooring
out of the H.C. Heading I am to return Mr. Dove
74 feet of the same sort good spruce
4. Sent to Saw Mill & Gas Mill to day
5. Plowing up land for wheat
26 Plowing up land for do
27 Rainy a little nearly all day Henry
went to shop & Mr. Wm Davis,^{1 or 2 stops the road}
8 Still cloudy fed Henry Shoemaking
this evening it cleared off last before dark
down
9. Sent another good full log. wrote to
Mr. Dove to saw it into $\frac{3}{4}$ squared edged
10. Sent 2 logs to Saw Mill this
log wrote to Mr. Dove to saw first
carc into weather boarding & rest
into squared & edged plank falling &
shutting on sides — the Shoemaking
began to grub in new ground
yesterday & at it to day —
" Plowing & Bushing in Wheat in
big field & breaking stalks H.C.
12 Bushing & plowing in wheat in big field
Chopping round stumps & hedges H.C.
Put up other mark to follow several day ago
" 3rd nearly done the square by middle
I laid off first to split in wheat
by & chopped round the stumps H.C.

846 Nov 10th the weather has been for
still cloudy for nearly 2 weeks tho has not
rained much this week - quite warm
last night on the morning killed 2 small
Hart Hogs, - done Shoemaking &
sewed about 15 Bushels wheat to the day
in '8. Weather in 10th by Dr. Wm. Hinckley Nov
1st sawing Wheat Sowed About 20 bush.
19th This Morning Raining pulled
on Yesterday & the day is now on
the ground, - Weather yet warm
for for what coming up. Shelling
corn & stripping tobacco - my barn
Decent, I am finished housing corn, & we have
grubbing & cutting for several days.
Started to mellow this day after Harry
White - gone 3 days & got home. -
got home about 9 o'clock this night,
Henry sick when I got home,
44, grubbing & cutting in new ground,
Mr Lewis got sick; - - - sick
46 Stripping tobacco. a boy barn Henry got
this began to rain yesterday morning &
Raining this morning. very wet indeed
Selled with James Odson 30th a cow &
book his Rent in full of all claims to date
Killed all our dogs 23rd about 1846.
Sent another log to saw mice & wrote
to saw it into weather boarding 30 Nov 46
7 Cloudy day not much rain
8 still cloudy & like for rain
9 Rained very hard last night & on
the night cleared off fair air by
day & a very pretty day - -
10. Cloudy & rainy this morning
turned cooler. wind N. E. -

1846
Nov 11th. Cutting & grubbing on new ground -
